### Next Awareness Day

{smoothgallery timed=true&delay=4000&width=500&height=450}

The next Denford Awareness Day will be held in our Professional Training and Development Centre in West Yorkshire on: Wednesday 16th June 2010: 10.00am to 2.30pm

The event is free of charge, with refreshments and buffet lunch included.

It will give you the opportunity to see our diverse range of CAD/CAM/CNC equipment for the education and training market. Come and speak to the Denford team, who have many years of experience in installing these products into educational establishments around the world.

### Where we are .....

For those delivering the 14-19 Diplomas, come and see the latest developments, which can benefit you in teaching the Engineering and MPD Diplomas.

-Turn 270 Pro CNC Lathe: with the new and improved 4" chuck and enhanced 8 station turret – ideal for those delivering the Engineering Diploma – along with its sister product, the VMC 1300 CNC Milling Machine.

-Metal Cutting Routers with Programmable Rotary Fixture, Vacuum Bed and 3D Scanning Options.

-MRC 40: our new high-spec / low-cost solution for all your routing, milling and engraving needs.

-PCB Engraver: ideal for schools wishing to move away from traditional methods of chemical etching of PCB Boards

-VersaLasers: See samples/project ideas being cut on our VersaLaser range, using a selection of materials.

-Rapid Prototyping: Come and see for yourself the high quality of samples made on the HP Designjet desktop 3D Printer, made from durable and robust ABS plastic.

-Educational Projects: such as F1 in Schools. Take the opportunity to see a car being manufactured and raced down our 24m long track and learn how your school can become involved.

Presentations commence at 10.30am (coffee available from 10.00am), lunch is provided around 12.30pm, with the session finishing at 2.30pm.

Should you wish to attend, please reserve your place by contacting our Customer Services Department on: 01484-728000.

Alternatively, if you are unable to attend, but would like further information on the Denford Product Range, please contact our Sales Department on: 01484-728000.

We look forward to meeting you.
