

Denford support the F1 In Schools Malaysia team

Last Updated Friday, 24 October 2008

Following the successful F1 in Schools World Championship event that was recently held at the Sunway Lagoon Resort in Malaysia, Denfords Technical Director Steve Oddy visited the F1 in Schools Team in Malaysia for a Technical Workshop focused on support and further development of the F1 in Schools programme in Malaysia.

Pictured with Steve are the 15 strong team that are responsible for the phenomenal growth of the Challenge in schools across the country
