

Denford become VAR for Solidworks

Last Updated Friday, 24 October 2008

Denford Ltd have been appointed as a 'Value Added Reseller' for SolidWorks Education Edition 3D Design, Drafting & Simulation Software.

SolidWorks Education Edition is now offered at a NEW price of £695 +VAT for a 61 seat license, which includes Teacher resources & curriculum materials, including an F1 in Schools Car Design project.

This 3D CAD package also allows users to simulate designs in SolidWorks, and also provides tools for stress, thermal and vibration analysis, all with extensive documentation and tutorials. These features are ideal for schools which are involved or participating in the 'F1 in Schools Technology Challenge'.

In addition, Denford are offering a special 10% discount on the SolidWorks Education Edition Software for schools registered for the 'F1 in Schools Technology Challenge'.
