

Sureweld at ETTA Conference

Sureweld International Limited, Denford's official Agent for the Republic of Ireland, attended the E.T.T.A. (Engineering Technology Teachers Association) Annual Conference at the Limerick Institute of Technology, Moylish Park, Limerick, on Friday 13th and Saturday 14th November.

Sureweld provided demonstrations of 3D manufacturing, using the Denford Compact 1000 Pro Router; and Eric Gurey of their Educational Division stated:

The E.T.T.A. Conference was well attended by teachers, with a lively interest in the Denford range of products!
